

# How to make a **makedo** doll house

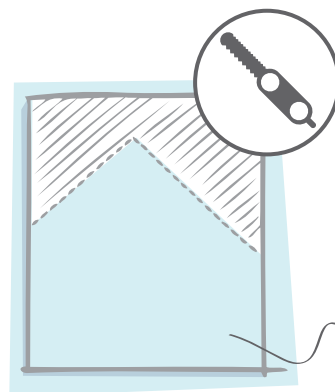

Use these:

Collect these:

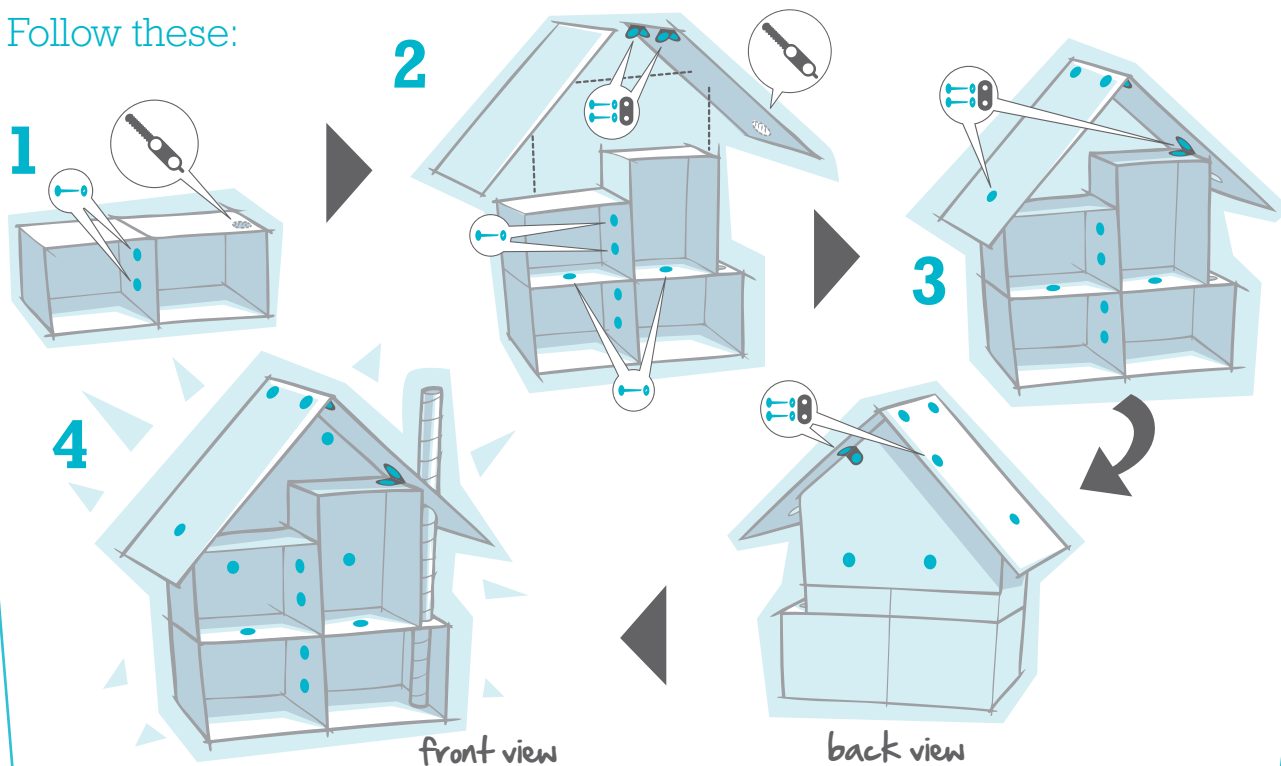

x 4  
boxes for  
the rooms,  
different  
sizes are ok

x 2  
pieces of  
cardboard,  
rectangle  
shape to make  
the roof

cardboard tube  
for chimney  
(kitchen roll) you  
may need to  
connect a few  
together to make  
it longer

Follow these:

**makedo** is a reusable connector system that enables the creation of objects and spaces from found materials. It aims to inspire people to see new value in the things around them.
